SPECIAL ANNOUNCEMENTS

Morning Arrival and Afternoon Dismissal

Dear Parents/Guardians:
We know dropping off and picking up your scholars from school is not the most fun. We understand parents have to go to work, drop off other children at other schools, or have pressing appointments that they need to get to. We only ask everyone to be patient, understanding, and abide by the safety guidelines we have put in place for the safety of your scholars, staff, and the community we reside in.

Safety First:

1. Have scholars fully prepared and ready to exit the car.
2. Drive all the way through the traffic cones to drop off at the gate.
3. Do not exit your car, any questions can be made by calling our office or asking your child's teachers.
4. Please be respectful to staff and other parents. (See attached copy of Life Source's Civility Policy)
5. Please wait for your scholar's temperature to be taken.
6. Do not leave your children unattended.
7. If you are visiting the office you must park across the street.

SAFETY AT SCHOOL

- Wash your hands
- Keep your masks on over your mouth and nose.
- Respect each other's space
- Do not share food or snacks
- Stay home if sick

Life Source Champion Creed

I am a Winner.
A winner never quits and a quitter never wins.
I always smile because I look better and feel better when I smile.
I am always polite and friendly.
I am always clean.
My face, hands, and body are clean.
My clothes are clean.
My thoughts and spirit are clean.
I am a SUCCESS in reading, math, science, history, music, art and Spanish in school and on the playground.
I say only GOOD things to others.
I listen only to GOOD things about others.
I pay no attention to what others say about me or my family.
When I believe in myself, I know I can:
Do what I want to do.
Be what I want to be
Have what I want to have.
I am a helper at home and at school.
I have a voice the spirit inside tells me the right things to do and say.
I never fight and I know it takes courage not to fight.
I am a WINNER – I am a CHAMPION

Leader In Me

The Leader in Me is **Franklin Covey's whole school transformation process**. It teaches 21st century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader. The program focuses on common language. This is accomplished through the 7 Habits.

We are a Leader In Me School and you will often hear your child speaking about Leader In Me. We encourage parents/guardians to support and encourage our scholars in following the 7 Habits.

Please see attached flyer for information about the 7 Habits.
