SCHOLAR IN THE SPOTLIGHT

Each month Life Source celebrates one scholar from the entire school to be featured in our newsletter. The scholar that is chosen exemplifies a love of learning, a passion for knowledge, a hunger to develop and grow academically, and demonstrates good character.

Demi Sire received an outstanding nomination from his teacher, Ms. Ross (6th Grade). This is what she shared with us:

Demi Sires has been a joy to have in the classroom this school year. Being successful in school doesn't always mean you can avoid confrontation or situations that could lead to you getting in trouble. A person's true character shows how they react when placed in trying situations. Demi has continued to show honesty, understanding, and a willingness to self-reflect.

In the classroom, Demi continues to work hard to complete classwork and homework, along with participating in our school play, recycling program, tutoring, and even being a cafeteria helper! We see your growth and are all proud of the exemplary student you are transforming into.

Keep up the good work and continue to be an example to your peers and other students on campus.

Congratulations Demi Sire!! You are a true representation of what a Life Source scholar should be!
